Whale, hello there!

As you explore the **Encounter Marine Park Whale Trail** you will discover more about the wonders of the coastal environment we have on our doorstep.

While soaking up the stunning scenery in some of the BEST whale viewing locations on our coast, keep an eye out for the signs located along the trail that highlight fun facts and information about whales, dolphins, reefs, seagrass, estuaries and more! There's also information about what you can do to help protect our beautiful coast.

So what are you waiting for? Grab a hat, sunscreen and some water and start your Whale Trail journey.

Let's start exploring...

The Encounter Marine Park Whale Trail winds from the Waitpinga Cliffs along the coast through Victor Harbor, Port Elliot and Middleton right through to Goolwa.
